## LAKELAND PARK CHRISTIAN CAMP

Situated in idyllic surrounds with a unique position in Kelvin Heights, with amazing views over Lake Wakatipu, Lakeland Park is a large purpose built facility that can cater for several independent groups at the same time. Lakeland Park is the ideal place for your church, youth or school camp, family gatherings, sports teams, weddings, training camps and conferences.

Established over 55 years ago, Lakeland Park is only 15 km from Queenstown on the Kelvin Heights Peninsula, 10 minutes from the Airport, Remarkables Park and 5 Mile shopping centres. Experience all that Queenstown has to offer, from adventure challenges, kayaking and biking to Arrowtown and the gold fields. Ride the gondolas and test out the luge, or experience the thrill of jet boating or the challenges of rock climbing, and in winter check out the ski fields. Queenstown has it all.
