

MERCURY BAY MUSEUM

WHITIANGA, COROMANDEL PENINSULA

Bringing you face to face
with your heritage

AWARDED A TRIP ADVISOR EXCELLENCE
AWARD FOR VISITOR ATTRACTIONS 2015

The Coromandel Peninsula's most visited museum, with interactive displays for adults and children.

Explore the story of one of the oldest settlements in New Zealand. Displays include early artifacts, shipwreck relics, kauri logging, gum fishing, agriculture, bird life (including a giant moa), settler photos, the smithy, and a 1950s' school room complete with colonial furniture.

Situated on The Esplanade, Whitianga, across from the wharf, the Mercury Bay Museum tells the history of this historic and beautiful area.

The History of FISHING

Unique displays that emphasise the passion the people of Mercury Bay have for the marine environment and fishing, both recreational and commercial.

PHOTO COLLECTION

Browse through our outstanding collection of photos, covering life and times in Mercury Bay from the early days of European settlement through to modern day.
